## Entry Criteria

### Training in radiology

- I confirm to have successfully completed radiology training (residency) and attach as proof a copy of the board examination diploma or the EDIR diploma:
- I have completed five years of radiology training and therefore attach a proof of training indicating the duration by my training center*
  - I have completed less than five years of radiology training, but equivalent experience as a supervised staff radiologist and therefore attach a proof of the center supervising me (will be considered if appropriate)*

### Subspecialty training

- I confirm to have at least two years of training in abdominal imaging following radiological board-certification. This information needs to be proven with the letter of support.

### Proof of practice

- I herewith confirm to be board-certified, licensed and practising radiologist and attach a proof of practice from my current place of work.

### RIS documentation/logbook

- I herewith confirm, I have experience in at least 100 abdominal ultrasounds including CEUS , 200 abdominal CT, 100 abdominal MR and 50 abdominal x-ray examinations including fluoroscopy in the previous two years.  
As a proof, I am attaching a copy of my anonymised RIS documentation/logbook.

### Letter of support

- I herewith attach a letter of support, written and signed by my head of department.

### CME credits in abdominal imaging

- I confirm to have collected at least 50 CME credits/equivalent national credits in abdominal imaging within the last three years and herewith attach the respective proofs. (will be considered if appropriate)

### Attendance of ESGAR

- I confirm to have attended a minimum of two ESGAR events (Annual Meeting and/or ESGAR Workshops) within the last three years prior to the date of application. This ensures that that at least 50 CME credits have been earned on abdominal imaging topics. I am adding the respective proofs.

### Curriculum vitae

- I am providing the relevant personal information within my CV.

### ESGAR and ESR membership

- I confirm being member of ESGAR (European Society of Gastrointestinal and Abdominal Radiology) and member of ESR (European Society of Radiology) in good standing.
